Dear Parents

Re: Year 10 GCSE Science Revision guides

I am writing to inform you that due to significant interest expressed by students in Year 10, we have ordered a number of CGP revision guides for GCSE Science. We are able to offer the combined Trilogy Science guides for £5 (rrp £9.95) and the separate Science guides (Biology, Chemistry and Physics) for £2.50 per science (rrp £5.95 each).

With the Year 10 summer mock exams fast approaching these resources will prove an invaluable tool to help guide the students' revision and examination preparation. These books can be purchased directly from the Science department, from myself or Mr Walkem the science technician.

I would like to thank you for your continued support in helping us to ensure that our students achieve their full potential.

Yours sincerely

Mr J Hoyland
Subject Leader for Science
