Dear Parents/Guardians

We are pleased to announce the launch of our Parent Portal system.

Parents/Guardians will receive login details whereby they can log onto our portal website and see information on attendance, behaviour, timetable, attainment and be able to download school reports.

Login details will be issued to parents via their email addresses therefore in order to maintain security it is crucial that you return the reply slip with your confirmed email address and signature **before** we can issue you with login details.

If your child has a 2nd Parent/Guardian not residing at their home address but who would like their own account, please list their email address and details on the reply slip.

Once we have received your reply slip you will receive an email from Progresso notifying you of your login details.

Yours sincerely

Mrs K Ludlow Examinations and Data Manager
