Blessed Hugh Faringdon Catholic School is 'Committed to Gospel Values'. The Gospel of Jesus Christ invites all who follow its teaching to the fullness of life. Discipleship in the Gospel is a life-long journey of faith coming to complete fulfilment only in the presence of God in heaven. The entire life of a disciple is marked by learning and growth. We believe that Jesus is present in the day to day life of our school, that each member of our community has a divine origin and an eternal destiny. We believe that through his Incarnation, Jesus affirmed us as whole people and redeemed us through his resurrection. We believe therefore that the intrinsic dignity of each member of our school community is to be honoured in spirit, in word, in deed and in law. These beliefs underpin our approach and thereby commit us to encouraging all members of our community, staff and pupils alike, to grow towards human wholeness.

Aims

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer.

It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the Education Act 1997.

This policy shows how our school complies with these requirements.
