February 2023

Dear Parents/Carers,

## A Level Geography Trip to Hengistbury Head: Wednesday 29 March 2023

As part of the A Level Geography course, students need to complete an independent investigation that involves fieldwork and a written report (20% NEA component). Students must undertake a minimum of four days of fieldwork; therefore, I have arranged a fieldtrip to Hengistbury Head on Wednesday 29 March 2023.

Whilst we are there, we will investigate how erosional processes are affecting the coastline and the coastal management in place there.

We will be departing from school at 7.30am and in order to minimise costs, we will travel to Hengistbury Head to via School Minibus and returning at approximately at 6pm traffic dependant.

**Students will need to bring a packed lunch and drinking water (if your child receives a free school meal then a lunch will be provided).** Appropriate comfortable footwear is also important as the day will involve a lot of walking along with a waterproof Jacket/Coat.

In order to facilitate this event, we request a voluntary contribution of £2.00 per student. This will enable to cover the cost of the transport and resources; payment is now available via ParentPay and places will be allocated to students. Without sufficient contributions it may not be possible to run this event.

If you would like your child to take part, please make the payment and confirm permission via ParentPay by **Friday 24 March 2023**.

Yours faithfully

Mrs D Schalkwyk
