Dear Parents

Re. 6th Form Parents Evening

You are invited to our Online Sixth Form Parent Consultation Evening on Thursday 2nd February, 4.00pm to 7.00pm. This is a very important opportunity for you to meet with subject teachers to discuss your son/daughter's progress in Sixth Form.

Our online booking system can be accessed via the school website <https://bhfps.parentseveningsystem.co.uk/> and you will receive an email with a direct link to make your appointments. **The link will be open from 6pm on Wednesday 18th January**

Sixth Form subjects are often taught by more than one teacher. In most cases, you will be able to meet with each teacher separately, but some subjects have arranged appointments with the teaching team. Others may arrange for one lead teacher to run all the appointments. When you log on to the booking system, you will see which teachers are available in your son/daughter's subjects and we strongly advise that you meet with a teacher for each subject that your he/she is studying. All appointments are arranged for a duration of ten minutes. [Please note that if your son/daughter is studying a BTEC 'double' award (National Diploma) or 'triple' (Extended Diploma), the appointment option will only show as the 'single' (Extended Certificate) because you do not need to double up and make two appointments for the same subject.]

If you are unable to attend, we request your permission for the appointments to go ahead with your son/daughter via your parent log in to the Parents Evening System. You can give your permission by clicking on this link: [Sixth Form Parents Evening](#)

Sixth Form tutors may also request a meeting with you and your son/daughter about any issues which are not subject-specific.

If you have any questions about Parents' Evening, please do not hesitate to contact me.

Yours sincerely

Ms H Jordan
Head of Sixth Form
