October 2022

Dear Parents/ Carers

Year 8 Seder Meal Experience

During this term, your student will be studying Judaism in their RE classes. Part of this involves the study of Jewish festivals such as Passover. To make this study as engaging and interactive as possible during lesson time your child will be given the opportunity to sample traditional Passover food.

I am writing to you as their parent and carer to alert you of this and to ask you for permission for your child to taste this food. You can give your permission via this Microsoft form link: <https://forms.office.com/r/m12d2sDiC3>. Alternatively, you can scan the QR Code.

The date of this interactive lesson will depend on your child's teacher however **the link will close on 10 October 2022** as after this date will be when these interactive lessons are taking place.

The foods and primary allergens the students will be sampling are below, Allergens are **bolded**

- Crackers/Matza crackers– **Wheat**
- Salted Water
- Lettuce
- Charoset – A mix of **Honey and apple paste**

This lesson will be engaging and interactive, focusing on the story of the 1st Passover and the history behind the festival. If your child is unable to sample any of the foods listed above, they will still be able to fully participate through the craft, videos, and story.

Should you have any questions, or wish to discuss this with me, please do not hesitate to contact me via my email at R.Monaghan@hughfaringdon.org

Yours faithfully,

Miss R Monaghan
Teacher of Religious education
